

WILD LIFE - INDIA - PANNA - 2N/3D

ITINERARY

Panna National Park:

Panna National Park is located in the central Indian state of Madhya Pradesh. It is one of the best in the region. The river Ken passes through the park, adding to its scenic beauty.

You can see tigers, sloth bear, march crocodile, cinkara, sambhar and chital. Bird life in this park is extremely rich and varied.

You can view wildlife in jeeps, boats or on foot. It is close to Khajuraho and forms an ideal halt for people going to Bandhavgarh and Kanha national parks.
