An Australian National Heritage listed road, it was built by returned soldiers between 1919 and 1932. The road winds through gorgeous terrain along the coast and leads you to many significant landmarks and natural wonders.

Apollo Bay

At the foothills of the Otways lies the gorgeous seaside village of Apollo Bay. Surrounded by rolling green hills and ocean, Apollo Bay is a lively holiday destination during summer. Here you can relax and treat yourself to lunch at one of the many cafés and restaurants, or you can take a stroll along the picturesque beachfront.

The Twelve Apostles

The rugged splendour of the approaching Twelve Apostles is just breathtaking. These incredible limestone rock formations up to 45 metres high are the result of erosion that began up to 20 million years ago. Your Guide will share the history of their fascinating evolution while you take in the great spectacle of this natural wonder. If you find you can only count 8 Apostles and not 12 - test your Driver Guide's knowledge as to why!!

Scenic Walk

There are many walks around the location of the Twelve Apostles providing closer access to the shoreline. From the cliff top viewing area you can absorb the grandeur of this iconic site and take some photographs.

Loch Ard Gorge

Now you'll visit the beautiful Loch Ard Gorge and learn of the ill-fated English ship 'Loch Ard' that ran aground on nearby Muttonbird Island in 1878. The ship sank within 15 minutes, taking with it all but two of the 54 passengers and crew on board. The survivors came ashore and found refuge at what is now known as Loch Ard Gorge, a striking example of the process of erosion.

Port Campbell

Now you can take a well earned break at the gorgeous little seaside village of Port Campbell. Sheltered by cliffs and Norfolk pines, this little haven has a colourful and lively personality.
