

SCANDINAVIA - SWEDEN - LAPLAND & MIDNIGHT SUN - 4N/5D

ITINERARY

Itinerary:

Day 1 : Kiruna:

Head to the Kiruna Lapland Tourist Office for everything you need to know about exploring, getting active and taking tours. Take a tour down into the world's largest underground iron ore mine; mining is still one of Kiruna's most important industries.

Day 2 : Midnight sun activities:

Experience the midnight sun with a guide, on your own, from the top of a mountain or just by strolling into Kiruna into the middle of the bright night. Visit the Nutti Sami Slida centre at Jukkasjarvi and see all things 'Sami' - meet the reindeer, throw lasso, enjoy a traditional Sami lunch, and learn about their culture.

Day 3 & 4 : Explore or get active with hiking, fishing and rafting Jukkasjarvi is a great base for midnight sun activities. From white water rafting and laplandic surfing, to cross country biking and stand up paddling, river fishing on your own or with a guide and summer ice sculpting at the Ice Hotel, you'll be spoilt for choice. Or take a Midnight Sun tour on an Icelandic Horse, starting at Puoltsa, close to Kiruna.

Day 5 : Depart.

Things To Do:

Historical Jukkasjarvi: Take a guided tour by river boat down the Torne River. Learn about the 400 year old village and the indigenous Sami people.

Challenge Park: Get your adrene line kicks here and get up high above the Lapland scenery. There are rope and wire tracks for beginners and the more experienced.

Rent Your Own Equipment: The Ice Hotel is a great place to hire equipment, from canoes and cross country bikes, to stand-up paddles and fishing rods.

Cross Country Biking Through The Taiga: Explore forest trails and the untouched wilderness of the Jukkasjarvi on cross country bikes. You might spot wild moose and reindeer.

Baking In The Timber Smoke Hut: One of the oldest buildings of Kukkola culture village is the Timber Smoke Hut which has been used for grilling whitefish for many years.

Canoeing In Beaverland, Gunnarsbyn: Guided paddle tour in calm waters among wild beavers in their real habitat. A chance to see beavers, birds, moose and maybe reindeer.

Stadshus, Kiruna: This public building won Sweden's most beautiful public building prize back in 1964. See the art collection and a display of Sami handicrafts.
